

Private Lessons

Quarterly Lesson

Private cello lessons at NNHS are scheduled on a quarterly basis. Each quarter consists of 7 (seven) 25 minute lessons over approximately 9 (nine) weeks. I will post the schedule for each quarter on the orchestra door. And will update it as needed. Please feel free to contact me if you have questions or need to reschedule a lesson.

Payment

Payment is due by the third lesson or instruction will be terminated. Payment is \$140 for each quarter. Please make checks payable to **NNHS NCUSD #203**. If a student begins lessons, but chooses not to continue lessons beyond the payment due date, the student is still responsible for paying for all lessons (attended or missed) up to and including the day of termination. Lessons are \$20 per 25 minutes (\$140/7). Prompt payment upon termination of lessons is appreciated.

Absences

Instruction is due by the third lesson as it is scheduled and to inform me of planned absences **no later than 8:00 AM** on the day of the lesson. This policy is for all students including those that are excused absent, sick, on a field trip or at a special assembly. I will make every effort to schedule lessons so that cancellations from my end are not necessary. However, if I am unable to teach a lesson I will give 24 hours notice and schedule a make up time that is convenient for the student.
