

CONCERT REPORTS

A concert report is a log of the observations you make during a musical performance. These observations can concern anything from the posture of the performers to the structure of the music featured.

The following list of paper requirements mark the grounds for assessment.

1. Your paper must be at least 1 page of text in length and use standard margins. 25 pts
2. Your paper must use correct grammar. 25pts
3. Your paper must stay focused on the topic at hand; please do not let your narrative meander for paragraphs at a time unless it is to a point. 25 pts
4. You must attach a program (or copy) of the observed concert. 25pts

Given the relative ease of this assignment, no rewrites will be available. If you would like to submit a draft of your paper before the final submission I would be happy to look it over.
